Version # 01.03.2026.	**A small body of determined spirits fired by an unquenchable faith in their mission can alter the course of history.**
	If you want to understand today you must search yesterday.
	Those who forget history cannot make history.
	Those who do not remember the past are condemned to repeat it.
	History doesn't repeat itself, but it does rhyme.
	Seeds of present are sown in past and the seeds of future are sown in the present.
I Version # 25.01.2020.	**Who controls the past controls the future: who controls the present controls the past.**
	History is an infinite chain of cause and effect of events. The present has its cause in the past and future depends on what is happening in the present. So the past, present and future cannot be seen in isolation.
